

Outline of the route

This two part walk follows a circular route through varied countryside, with far-reaching views in many directions. It starts at Holy Immanuel Church (roadside parking).

To start, walk down the road and turn left for Fauls Farm where you take a concrete track on the left. A **Viewpoint** gives views of the **Hawkstone Hills** and (on clear days) the **Welsh Hills**. After a copse the concrete track becomes earth. Walk down a field to a FG on the left, then turn right to walk to a ST at point 'A' on the map. To return to Fauls (**Part 1 of the walk**) turn left and, after 2 ST, go through a FG by a pond. After the FG turn right, walk up to a PG (by phone mast), then to turn left to return to the start.

For **Part 2 of the walk**, walk diagonally right across the field and cross 2 close ST. Then, keeping a hedge on your left, cross another ST on the way to 'Woodside'. Once there, cross a ST and walk down to Wood Lane, then turn left to walk to point 'B' on the map—where you have a choice of two routes to Upper Mickley.

Note. *The alternative route shown (until improved) involves climbing a fixed gate - marked ! on the map.*

To follow the main route, turn right and then left through a FG. Cross the field to another FG, then take a ST on the left to walk to a ST/BR. Walk uphill to a FG onto a lane and turn left. Just past a cottage a bridleway starts at a FG, with the next field providing a **Viewpoint** to **Market Drayton** and **Loggerheads**. A copse with a 'tunnel of trees' comes next, then walk down a field to the unfenced drive of 'Hoarstone'. Turn left then left again through a PG and, keeping a hedge on your right, walk past **Hoarstone Pool** and look for a FG ahead. After the FG turn left and, after 3 PG, the path goes through a copse via 2 FG. Cross a field and, with a hedge on your right, walk to a PG. Turn left before it and walk to a ST, where a lane leads back to the start.
