Your Community is at risk.

- Through Government cuts, Hodnet Fire Station is under serious threat of closure.
- This will mean increased response times to incidents. For example, house fires and road traffic collisions in your area.
- Do you know that Hodnet Fire Station provides 100%, 24 hour, 7 days a week, 365 days a year cover?
- Please forward your comments and support to hodnetfire@hodnet.org.uk, post to Hodnet Fire Station, Station Road, Hodnet TF9 3JD or post these through the Fire Station door. We need your support.

Help us to keep your Community safe.
